COMPANY PROFILE

We are pleased to introduce ourselves. RIGZONE as an affiliate and associate company of M/s Al AJNAHA Industrial Equipment Est, Mubarak Bin Saif Building, M-3, Khalifa Street, Abu Dhabi, which is dealing in International Supplies and Services. The company was established in 1989 in U.A.E and is servicing Oil & Gas, Petrochemical Industries and other Government Departments in and around Middle East for more than 2 decades. We have our offices in Maryland USA, Abu Dhabi-U.A.E, Toronto, Canada & Karachi-Pakistan.

We are committed to customer satisfaction; our prime objective is to provide highly dependable and reliable services in the fields of our expertise to the industries in and around UAE/Pakistan and other parts of the world.

Brief description of our expertise is as under: -

TRADING:

In our trading segment, we have trained staff to look after our customer's requirement: sourcing, import and supply of equipment, spares as per the customer's specifications in Optimum lead-times. Our trading activity spreads across Southeast Asia, Middle East, Europe, and North America.

ENGINEERING SERVICES:

We have highly experienced and skilled manpower to support our engineering service sector in the areas of refurbishment on site/off site, breakdown, maintenance of various industrial equipment like Diesel Engines, Generators, Exchangers, Compressors, Pumps and Electrical Motors etc. We have an exclusive diesel engine performance testing facility at our workshop.

MANUFACTURING:

We have a Joint Venture with an American Company M/s. ISOTHERM INC. HOUSTON USA, which is specialized in Heat Transfer Technologies. In free zone Hamriya Sharja, wherein we manufacture Heat Exchanger, Pressure Vessels, Chillers and other equipments related to Oil & Gas and Petrochemical Industry.
